PUNE COUNTRYSIDE

hotel irada

Welcome

Hotel Irada breathes new life into Vijay Mallaya's storied countryside manor, set within a 66-acre working winery in **Pune Countryside**.

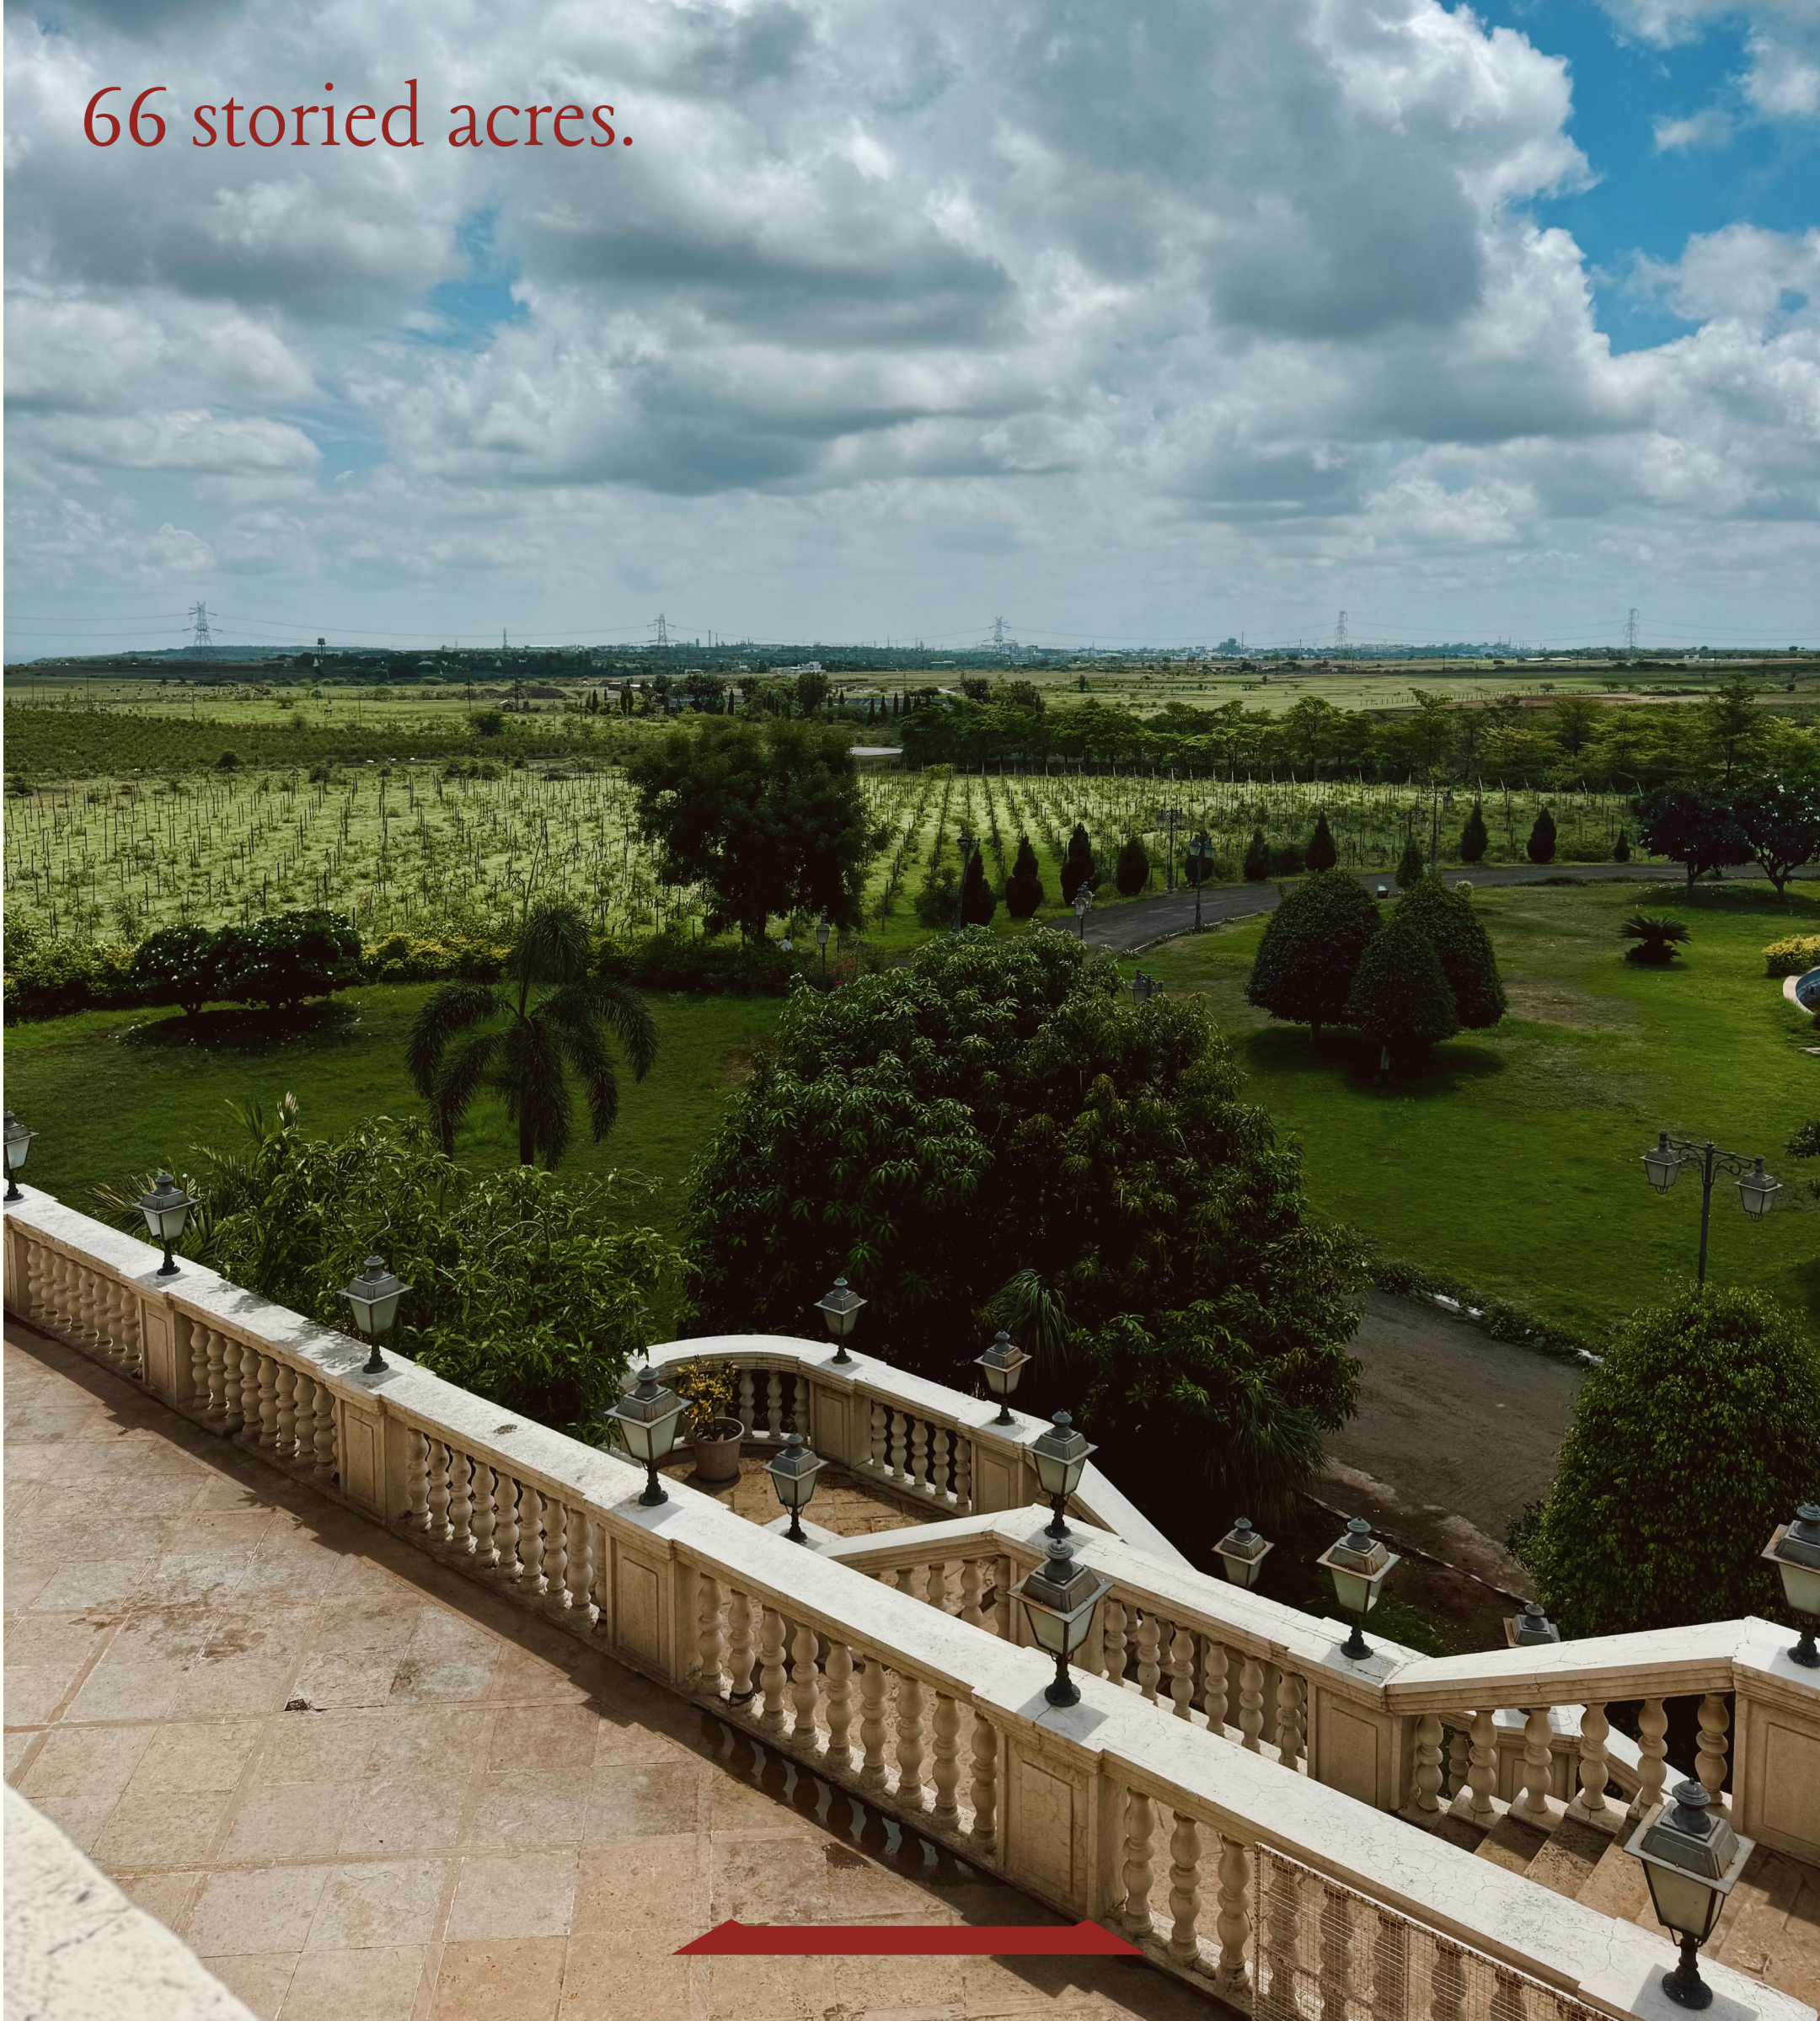

Irada's story unfolds as a living canvas for India's most compelling creatives – from wellness programming by **Nyasa Wellbeing**, midcentury modern interiors by **Humming Tree of Calicut**, art programming by **Method Bandra**, **Kala Kerala** & pieces from **Palais de Tokyo Paris**, an Irada tapestry by **Jaipur Rugs**, Honey Farming by **Moonshine Meadery** and an array of outdoor pursuits ranging from wine tours, clay pigeon shooting, pickleball, forest trails & more!

It all starts here.

Beneath arched ceilings, the barrel room whispers secrets of aging oak and timeworn tales. A dusky stillness lingers, inviting clandestine gatherings and unforgettable evenings.

As the sun sets, you take a slow sip of wine,
the crisp notes dancing on your palate. The
pool shimmers under the evening glow, a gentle
breeze carrying the scent of summer. Relaxed
and unhurried, you soak in the moment—wine in
hand, serenity all around. Bliss.
